**HELPING YOU FIND  
YOUR WAY IN  
THE UK**

## Do you want a diverse workforce?

JET specialise in helping those from the Black and Minority Ethnic (BME) community, Refugees, Migrants and Asylum Seekers, to find work, improve their skills and integrate. Through our qualified Outreach Team, we provide information, advice, guidance (IAG) and support to meet the client's individual needs.

### **Our ESOL for Jobs and Work UK training allows clients to:**

- Explore the UK workplace
- Gain employment seeking skills
- Improve confidence and communication skills
- Look at policies and procedures, work ethic and work culture in the UK
- Understand common procedures such as flexitime, contracts, unions, equal opportunities and holiday/sick pay

**Around 50% of our clients who complete the ESOL for Jobs course, go on to secure paid employment.**

We also encourage links with local employers. JET works with local, regional and national employers in breaking down barriers to facilitate the recruitment of members from disadvantaged communities. Some of the employers we have worked with are Nexus, Newcastle City Council, Inland Revenue, Barclays Bank, Northumbria Police, Haroon Accountants, Newcastle Home Care Associates, Coopers Cleaning, BBC and Your Homes Newcastle.

### **We can support your organisation through:**

- Work placements
- Recruitment
- Workforce training and development
- Offering volunteer help
- Promoting equality and diversity

Local organisations can benefit hugely from volunteer help. We can arrange voluntary placements with you and help promote your organisation. Plus the obvious benefits of a more diverse workforce.

**JET** also help people discover more about their community via cultural events and outings to museums, galleries etc.
